# WELCOME

Welcome to our first edition of the Lancashire and West Yorkshire (LWY) Primary RSHE Hub newsletter.

You will probably already be aware that the start of this new academic year heralded the introduction of the new RSHE statutory curriculum. Although schools now have until the start of the summer 2021 term to have the new statutory curriculum in place, you should already be making preparations and arrangements to deliver the curriculum as soon as possible.

With over 100 users from Kirklees, Calderdale, Leeds and Oldham, our first phase of online training is providing school leaders, subject leads and classroom teachers with 'what' needs to be included along with guidance from our subject leads on 'how' to deliver this, as well as hints, tips and advice drawn from their own experiences in the classroom.

We are delighted to say that feedback has been overwhelmingly positive from those who started their training in July.

Our autumn term cohort is joined by schools right across the LWY region from Liverpool to Wakefield.

We look forward to working with and supporting more of you in this new era of Relationships Education, Relationships and Sex Education (RSE) and Health Education

Manager, West Yorkshire Teaching Alliance  
Project Lead, LWY Primary RSHE Hub

"Very useful training helping me to reflect on developing our RSHE coverage throughout school, particularly planning for progression and assessment."

## Latest additions to our online classroom

The DfE are producing a content (knowledge) PowerPoint for each of the modules, covering the statutory 'what' you need to know. Our training materials and resources build on these DfE resources to consider the 'what' you need to know and 'how' to deliver this in the classroom.

### Modules already available:

- Basic First Aid
- Changing Adolescent Body
- Drugs, Alcohol and Tobacco
- Effective RSHE Leadership
- Mental Health and wellbeing
- Physical Health and Fitness
- Respectful Relationships
- SEND and RSHE

### Available by the end of September:

- Being Safe
- Caring Friendships
- Families and People Who Care For Me
- Health and Prevention
- Healthy Eating
- Internet Safety and Harm
- Online Relationships

## COMING SOON!

"The five extra years video is terrifying and highlights the importance of both physical and mental health and well-being"

Thanks to the generosity of The **Pears Foundation Young Citizens** are able to offer all UK primary schools a fully subsidised (worth £399) subscription to Go-Givers for the 2020/21 academic year.

That includes 100+ lesson plans covering SMSC, PSHE, and Citizenship. Further details can be found here: <https://okt.to/dnW7kl>

"This course was excellent, the information was clearly set out and shared in a personable, humorous and interesting way. The ideas for assessing and teaching practically using engaging resources and games was great and will definitely be used in my school. Thanks!"
