

Parental engagement

Paul Butler
Director of School Improvement

Discussion

- How does your school engage with parents?
 - What works well?
 - What has no/little impact? What have you stopped doing?
 - How do you know whether it has impact or not?

EEF guidance report

- Education Endowment Foundation (EEF)
- ‘Working with parents to support children’s learning’
- Meta-analysis of available international research
- Survey of school practice
- *“The evidence is not yet as strong as we would like, so an overarching recommendation focuses on the importance of planning and monitoring your school’s parental engagement activities to get the most out of them”*
- <https://educationendowmentfoundation.org.uk/tools/guidance-reports/>

Recommendations

- Critically review how you work with parents
- Provide practical strategies to support learning at home
- Tailor school communications to encourage positive dialogue about learning
- Offer more sustained and intensive support where needed

Discussion

- What actions have emerged from considering the guidance report for governors at your school?
