

Parental Engagement Support and Training 2019-20

Fully funded by Bradford Opportunity Area for nursery and primary schools

Building on feedback from schools gathered via the Bradford Opportunity Area Parental Engagement Survey in the summer term of 2019 (<https://exceedacademiestrust.co.uk/pes/>), we are delighted to provide Bradford schools a fully funded support and training package for leaders, teachers and parental involvement workers (or similar) to access to assist them to further enhance their practice and provision. Schools are invited to book one place on each event on a first-come first-served basis. Full details of each event will be published in due course but early bird booking is now available.

When booking to attend events, please give the name and email address of the person attending. They attendee will be kept informed of arrangements for the event.

Governor training

The Bradford Opportunity Area Parental Survey outcomes and EEF guidance report

14th November, 17:30-19:00, Bradford city centre location TBC

Book: <https://tinyurl.com/ExceedGovPES>
