Webinar Title: Intended Outcomes	What Positive Parental Engagement Looks Like Led by Salama Rahman and Naveed Mushtaque <ul style="list-style-type: none"> • Understanding what positive parental engagement looks like in practice • Develop a range of communication strategies which support/ enhance parental engagement, including when dealing with unforeseen circumstances (Covid-19) • Develop strategies to strengthen relationships with low engaging families
What Changes did you make?	<i>What strategies and resources from the session or elsewhere did you put into practice? Give a brief overview (pictorial/ narrative):</i>
What difference has this made? Why was that? <i>If schools' actions have had no impact give descriptions as to why not? These reflections are equally as important in evaluating practice.</i>	<i>Give a brief reflection-of the impact this has made:</i>
