

Gap Task 4 to be submitted by 12<sup>th</sup> April to [exceedinstitute@exceedacademiestrust.co.uk](mailto:exceedinstitute@exceedacademiestrust.co.uk)

Identify a child or children who have presented differently in their behaviours during the lockdown/pandemic at home or school. Consider how behaviours have changed, and what strategies from the webinar would best support them.

Discuss with parents/ carers approaches they can adopt at home to improve their understanding of behaviours and how best to manage them.
